Doctor of Philosophy - Ph.D

A Doctor of Philosophy (Ph.D.) is the most popular highest academic level degree awarded after completing a course of study. PhDs are granted for programs in a wide range of academic disciplines. Because it is an earned research degree, persons pursuing a Ph.D. must undertake original research that advances knowledge, typically in the form of a dissertation, and defend their work in front of a panel of other experts in the subject. A Ph.D. is frequently required for employment as a university professor, researcher, or scientist in many professions. Individuals who have received a Doctor of Philosophy degree may use the term Doctor with their name in several jurisdictions.

Modes of Ph.D

There are two modes of Ph. D degrees offered to students who want to further their education. A student can enrol in either a full-time or part-time Ph.D program based on their time and availability.

Full- time Ph. D / Regular Ph. D

A Ph.D typically entails three to four years of full-time study during which the student completes a large piece of original research presented as a thesis or dissertation. Some Ph.D. programmes accept a portfolio of published articles, while others demand coursework as well.
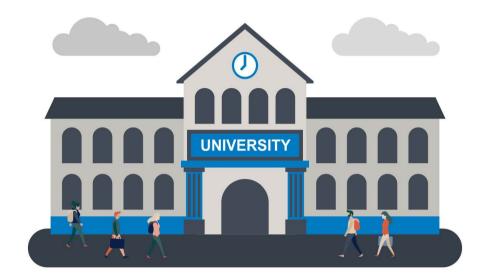

Part-time Ph. D / Irregular Ph. D

A part-time Ph.D. program lasts 6 to 8 years, whereas a standard doctorate program lasts 3 to 5 years. Part-time Ph.D. students can work on their research thesis at their own pace, but they must maintain ongoing contact with their professors and doctorate scholars. This mode of Ph. D is specifically made for unemployed people or those who are in a job.

UNIVERSITY

BIR TIKENDRAJIT UNIVERSITY

Canchipur, Imphal West, Manipur - 795003

A Doctor of Philosophy (Ph.D.) is the most popular highest academic level degree awarded after completing a course of study. PhDs are granted for programs in a wide range of academic disciplines. Because it is an earned research degree, persons pursuing a Ph.D. must undertake original research that advances knowledge, typically in the form of a dissertation, and defend their work in front of a panel of other experts in the subject. A Ph.D. is frequently required for employment as a university professor, researcher, or scientist in many professions. Individuals who have received a Doctor of Philosophy degree may use the term Doctor with their name in several jurisdictions.

University Approvals

BirTikendrajit University is recognized by UGC, AICTE, AIU, Bar Council of India (BCI) and Pharmacy Council of India (PCI)

Eligibility

The required minimum qualification for admission to the Ph.D. Program is a year's Masters' OR M.Phil Degree from any accredited Indian or Foreign University in the relevant field. She/he must have obtained 55% marks (SC/ST candidates have a 5% relaxation in marks) or Equivalent Grade in the Masters' or M.Phil Degree.

ADMISSION PROCESS

Regardless of the type of Ph.D. program, whether part-time or full-time, they can be competitive, and the candidate should ensure that their application stands out to the admissions committee. The admission process is outlined here, along with the required documents

Step 1 - SOP and Synopsis Submission

The candidates are requested to send the statement of purpose (SOP) and research proposal / synopsis in the respective research area to the concerned mail (admission@sveducation.org).

Synopsis or Research Proposal : This is your opportunity to explain your study objectives to the admissions committee. This allows the institution to establish whether your interests coincide with the faculty's expertise.

Statement of Purpose (SOP): The SOP should demonstrate the expertise of the candidate and should show why he/she selected the respective university.

Step 2 - Documents Submission

The candidates should send the complete scanned academic certificates from SSLC to PG to the given mail address. The incomplete or unclear certificates should be rejected from the selection process.

STEP 3 - Document verification

The academic documents along with the research proposal and SOP will be forwarded to the University for Verification.

Step 4 - Selection Notice and Registration

Within 7 working days, the documents will be verified and the selected candidates will be intimated through Email and the candidates will be registered in the University. In this step, the originals of the certificates should be submitted to the university.

Step 5 - Admission to Ph.D

The candidates can start their research work according to the further updates from Global Academy.

COURSE DURATION

The Ph. D programs may extend from 3 years to 7 years according to the scholar's convenience and academic performance.
